-----

**John Vint** and a female over 16 (presumably his wife, Jane) first appear in the Hope Twp. 1822 census. By 1823, there is also an under-16 female in the household: possibly Jane, as the Jane who married William Hill would have been born at this time, according to both her census entries and death registration. By 1830, there were four under-16 females in the family, one of whom might have been Jane. (In his Will, he names four daughters – Jane, Elizabeth Ford(d), Agnes Haw(d), & Ann Crawford.)
